For 1st MBBS Students

On 14th October 2022

Venue: Hospital Auditorium
The Oxford Medical College,
Hospital & Research Centre.

Bengaluru- 562107.

ABOUT CHILDREN'S EDUCATION SOCIETY

With an aim of providing a center for academic excellence and achievement, **Children's Education Society (Regd.)**, was established in the year 1974, headed by the visionary educationist, **Founder Chairman Late Sri. Vidyashree S. Narasa Raju**. The Oxford Medical College, Hospital and Research Centre, a constituent of Children's education society with high academic standard in developing quality health care, was established in the year 2013. It is been successfully upgraded by **Shikshana Bhishma Shri S.N.V.L Narasimha Raju**, Our Beloved Chairman with his passion and wide vision for quality education.

Dear participants,

Warm Greetings!!

Department of Biochemistry, TOMCH & RC Bangalore has been active in enhancing the knowledge of Biochemistry among the medical fraternity by conducting various activities.

“When learning is fun, we learn better.”

Epignosis - the march towards knowledge provides an environment to students that help to attain improved outcomes and a foundation for lifelong learning. Quizzes encourage student's awareness of progress and self-assessment. Learning multiplies with discussion; this platform provides an opportunity for Peer interactions and making new friends.

The management and organizing committee of TOMCH&RC are proud to announce that we are conducting 5th State level quiz competition EPIGNOSIS-5, for 1st MBBS students 2022 in association with AMBKC to motivate budding doctors. **We welcome you to actively participate to make the event a grand success.**
